

Experience Australian Native Food

- *Learn more about bushfoods during a 30min guided tour*
- *Discover our wide product Range*

Come and see how we grow some bushfood plants. Learn more about Australia's unique food plants and their use. Stimulate all your senses by discovering new extraordinary fragrances and flavours. An Australian bushfood plantation is something unique. We are the only place in Western Australia where you can have such a close contact with the bushfood plants and their keeper.

Prices:

- \$25.-

Conditions:

- Maximum 8 participants
